

On Call Events Set Up

The Fresno Chaffee Zoo inspires wonder of our natural world, provides an engaging learning environment, and creates a passion for conservation. Serving the central San Joaquin Valley, the zoo is committed to sustaining professional active participation in wildlife conservation, research and wildlife education. As a proud recipient of the AZA Top Honor Exhibit Award, we are committed to providing our local community and the AZA community exhibits and programs we all can be proud of.

November 4th marked an important day for Fresno County as our community voted to continue to financially support the Zoo through the approval of Measure Z. This measure provides us with financial security that allows us to continue to offer an incredible experience for our guests while providing excellent animal care, and a challenging yet fulfilling working environment.
