

**Fresno Chaffee Zoo
Wildlife Conservation Fund**

Fresno Chaffee Zoo supports critical research projects that protect and preserve wildlife and wild places around the world. Since 2006, the Fresno Chaffee Zoo Wildlife Conservation Fund has worked with dozens of individuals and organizations to further research, expand conservation impact, share knowledge, and engage local communities.

Awards may be made in any amount; however award recipients are typically in the range of \$2,000 - \$4,000. Projects may be based in the United States or internationally. Awards are generally announced in August of each year.

Submission Guidelines:

- The principal investigator must be associated with a recognized institution (accredited zoo, academic institution, conservation or non-profit organization).
- Applications for exhibit development/graphics for zoos will not be considered.
- Proposals must be submitted in English, utilizing 1 inch margins, double-spaced and 12 point font.
- All parts of the application must be completed. Incomplete applications will not be considered.
- If submitting the application electronically, please submit photos in jpeg format and attachments in Microsoft Office (WORD, Excel, and PowerPoint) or Adobe (PDF). Total attachments should not exceed 10 MB.
- If submitting the application by mail, submit two (2) printed copies of all materials (photos and support material may also be submitted on one flash memory drive). All application materials should be submitted at one time (do not submit CVs, letters of support, photos, etc. in separate emails or packages).
- Submit completed applications to:
Dean Watanabe, Chief Conservation Education Officer
Fresno Chaffee Zoo
894 W. Belmont Ave.
Fresno, CA 93728
Phone: 559-498-5920
Email: grants@fresnochaffeezoo.org

Submissions by mail must be postmarked no later than June 1, 2018. Electronically submitted or faxed applications must be received no later than June 1, 2018. Incomplete applications will not be considered.

Condition of acceptance includes:

1. Information gained from the project must be made available to the public.
2. Fresno Chaffee Zoo Wildlife Conservation Fund must receive a summary or final report by January 30, 2019 and every awarded year thereafter. This will include a summary of project objectives or methods used, conclusions, recommendations, and a statement of expenses. This summary will also include video, photos, or other media which the Zoo may use to highlight its conservation efforts via electronic and printed media.
3. Fresno Chaffee Zoo Wildlife Conservation Fund will be acknowledged as a sponsor in any printed materials produced as a result of the project.
4. All research involving live animals must adhere to regulations listed under the USDA Animal Welfare Act and any appropriate sections of professional ethics or mandatory standards of the Association of Zoos and Aquariums.

**Fresno Chaffee Zoo
Wildlife Conservation Grant
2018 Application Cover Sheet**

1. **Project Title:**
2. **Abstract: (Project Summary. Not to exceed 300 words):**
3. **Principal Investigator(s):**
4. **Amount requested per year from FCZ Wildlife Conservation Fund: \$**
5. **Number of years of support requested: \$**
6. **Contact Person for Grant Application:**

Address for Communication

Organization:

Address (include state, zip/postal code and country):

Telephone:

Fax:

E-mail:

If award is granted, please indicate whether check should be:

Mailed: (check to be made out to):

Electronic funds transfer: (we will contact you to obtain account information)

7. **Has this project received FCZ Wildlife Conservation Fund support in the past? Y/N If so, when? _____**
8. **Proposed Project Period: From: _____ To: _____**
9. **Project Location:**
10. **Is this project new? Y/N (circle one) or part of an ongoing project? Y/N (circle one)**
11. **Introduction (not to exceed 3 pages):** Clearly state the purpose of the project including, if appropriate, the research question, hypothesis, goals and the impact the project will have on conservation. Include sufficient information so that reviewers who may not be familiar with the subject matter will be able to understand and evaluate the project request. You must clearly state the goals and objectives of the project.
12. **Methodology (not to exceed 2 pages):** Describe techniques to be used to complete the project. Include how information gained from the project will be disseminated. If appropriate include an experimental design. Education based projects should include a description of the evaluation component.

13. **Timeline:** Outline the timeframe of the proposed project including estimated start/finish dates and duration of each project phase, 1 page or less.
14. **Budget:** A detailed, 1 page or less itemized budget must be inserted here. Include items such as salaries, equipment, travel, supplies, etc. *Be sure to clearly indicate the amount being requested from the Fresno Chaffee Zoo Wildlife Conservation Fund. "Overhead" is not funded.* If requesting partial funding, a complete project budget must be submitted. Note in-kind support where applicable as well as support from other sources that has been obtained or is being sought.
15. **Curriculum Vitae:** Include the CV of the Principal Investigator(s). The principal investigator must be associated with a recognized institution (accredited zoo, academic institution, conservation or non-profit organization).
16. **Letters of support/recommendation:** A letter of support from the principal investigator's sponsoring institution is required. Additional letters of support (no more than two) should be submitted from individuals associated with a recognized institution (accredited zoo, academic, conservation or non-profit organization). If proposal requires cooperation from other collaborators, a letter of support is also required. **Letters of support/recommendation should be scanned and saved as WORD or PDF files for those submitting proposals electronically and should be submitted with the rest of the application.** For those submitting proposals via fax or mail, support letters must be included in the packet with the rest of the proposal documents.
17. **Attachments:** Additional information may be included as an attachment(s) but are not required. These may include photos, brochures, etc. If submitting the application electronically please submit photos in jpeg format and attachments in Microsoft Office (WORD, Excel, PowerPoint) or Adobe (PDF). **Total attachment size must be no greater than 10 MB.**

Submission Instructions: If mailing the application, two (2) complete printed copies must be submitted. All application materials should be submitted at one time (do not submit CVs, letters of support, photos, etc. in separate emails or packages).
