

**Fresno Chaffee Zoo
Wildlife Conservation Fund**

The Fresno Chaffee Zoo Wildlife Conservation Fund was established in 2006 to promote understanding and enjoyment of rare, threatened and endangered animals and their habitats and to support zoological research that will directly benefit captive animal management. Awards may be made in any amount; however award recipients are typically in the range of \$1,000 - \$2,000. Awards are generally announced end of August of each year.

Submission Guidelines:

- The principal investigator must be associated with a recognized institution (accredited zoo, academic institution, conservation or non-profit organization) **and this year, our grant opportunity focus is the United States and the project must be conducted in the United States.**
- Applications for exhibit development/graphics for zoos will not be considered.
- Proposal must be submitted in English, utilizing 1 inch margins, double-spaced and 12 point font.
- All parts of the application must be completed. Incomplete applications will not be considered.
- If submitting the application electronically, please submit photos in jpeg format and attachments in Microsoft Office (WORD, Excel, and PowerPoint) or Adobe Acrobat. Total attachments should not exceed 1 MB. Please keep photos to no more than four.
- If submitting the application by mail, submit two (2) printed copies (photos and support material should be submitted on one CD for printed copies). All application materials should be submitted at one time (do not submit CVs, letters of support, photos, etc. in separate emails or packages).
- Submit completed applications to:
Sandra Pitts, Education Curator
Fresno Chaffee Zoo
894 W. Belmont Ave.
Fresno, CA 93728
Phone: 559-498-5920
Fax: 559-498-4859
Email: conservation@fresnochaffeezoo.org

Submissions by mail must be postmarked no later than **June 1, 2017. Electronically submitted or faxed applications must be received no later than **June 1, 2017**. Incomplete applications will not be considered.**

Condition of acceptance includes:

1. Information gained from the project must be made available to the public.
2. Fresno Chaffee Zoo Wildlife Conservation Fund must receive a summary or final report by January 30, 2017. Include a summary of project objectives or methods used, conclusions, recommendations and a statement of expenses.
3. Fresno Chaffee Zoo Wildlife Conservation Fund will be acknowledged as a sponsor in any printed materials produced as a result of the project.
4. All research involving live animals must adhere to regulations listed under the USDA Animal Welfare Act and any appropriate sections of professional ethics or mandatory standards of the Association of Zoos and Aquariums.
