FRESNO CHAFFEE ZOO WANTS TO BRING THE ZOO TO YOU!

Fresno Chaffee Zoo’s Zoomobile program is a fun, interactive learning experience for children of all ages. Presentations complement your science curriculum and are designed to meet the Next Generation Science Standards for each grade level. We have a wild selection of mammals, birds, reptiles, amphibians and creepy crawlies available to visit your site (at least one of the animals is touchable).

• $90 per presentation when two or more presentations are scheduled in the same day.
• $110 for one presentation.
• Mileage fees may apply for sites outside of the Fresno/Clovis area.
• To book a presentation please contact us at least 3 weeks ahead of your desired presentation date. Cancellation fees may apply.
• Presentation lengths vary by grade/age group. Ask about our class size limits.

Choose from one of the following wild topics!

Animal Attire (Pre-K, K)
Discover the difference between fur, feathers, and scales. Meet and touch animals that “wear” these different body coverings.
(NGSS: K-LS1-1, K-ESS2-2)

Animal Boogie (Pre-K, K)
Can you stand like a flamingo? Slither like a snake? Learn about how different animals move and how these adaptations help them live where they live.
(NGSS: K-LS1-1, K-ESS2-2, K-ESS3-1)

Desert Oasis (1st, 3rd)
Have you ever wondered how an animal can survive the challenges of a desert home? Meet some amazing desert-dwelling critters and discover their adaptations for life in the desert.
(NGSS: 1-LS1-1, 1-LS1-2, 2-LS4-1, 3-LS4-3, 3-LS4-2)

Jungle Journey (1st, 3rd)
Take a trip into the rainforest and meet some of the animals that make the trees their home. Also, learn how you are connected to the rainforests every day.
(NGSS: 1-LS1-1, 1-LS1-2, 2-LS4-1, 3-LS2-1, 3-LS4-4, 3-LS4-2)

Animal Kingdom (1st, 3rd)
Investigate animals with backbones: birds, mammals, reptiles, and amphibians. Characteristics of each group will be explored using biofacts and live animals.
(NGSS: 1-LS1-1, 1-LS1-2, 2-LS4-1, 3-LS2-1, 3-LS4-3, 3-LS4-2)

Living the Night Life (1st, 3rd)
Learn about nocturnal animals and their special adaptations that help them live their life under the moon.
(NGSS: 1-LS1-1, 1-LS1-2, 2-LS4-1, 3-LS2-1, 3-LS4-3, 3-LS4-2)

Wild California (4th, 5th)
Meet animals that live in our own backyard — California native critters! Find out what makes these animals unique and why it’s important to protect them.
(NGSS: 4-LS1-1, 4-LS1-2, 5-PS3-1, 5-LS2-1)

What’s for Dinner? (4th, 5th, 7th)
Predator and prey animals have different adaptations for survival. Discover the connections between the producers, consumers, and decomposers in a food web.
(NGSS: 4-LS1-1, 4-LS1-2, 5-PS3-1, 5-LS2-1, 5-LS4-2)

Amazing Adaptations (6th, 8th)
Discover some of the amazing adaptations animals have for life in the wild. Learn how these traits support successful survival and reproduction which allows them to thrive!
(NGSS: MS-LS1-4, MS-LS4-4)
