Treat Tube Craft

Supplies

- Toilet paper or paper towel tube
- Pet food or treats
- Construction paper
- Glue
- Scissors

1. Cut construction paper to fit around tube
2. Glue paper to wrap around tube
3. Have an adult help you use scissors to make holes large enough for your treats/food
4. Fold in one end of the tube to prevent treats from falling out the bottom
5. Add a small amount of food or treats to your feeder
6. Fold in the other end of your feeder
7. Give to your pet and let the fun begin
