FRESNO CHAFFEE ZOO HOLDS FALL ANIMAL ENRICHMENT FESTIVAL

Fresno, CA - To celebrate the fall season, Fresno Chaffee Zoo will provide the animals in our care with special fall-themed enrichment featuring natural seasonal items like pumpkins and cornstalks. The Zoo will invite guests to watch the animals engage with enrichment on November 5, 12, and 19 during normal Zoo hours of 9 a.m. to 4 p.m..

On these scheduled days, animals throughout the Zoo, including elephants, lions, meerkats, alligators, condors, and more will receive these special treats. Animal enrichments is a central part of our animal care. It serves to enhance the animals’ overall welfare by stimulating them and encouraging natural behaviors. The Fall Enrichment Festival gives guests the opportunity to witness and understand the importance daily enrichment plays in providing exceptional animal care. In addition to this daily enrichment across the Zoo, these seasonal enrichment days allow animal staff and guests a chance to enjoy natural elements of the fall season while watching animals engage in natural behaviors.

“We look forward to celebrating the fall season with our guests by providing them with a fun way to connect with our animals,” said General Curator Lyn Myers. “Enrichment is something that we provide our animals with every day and with these seasonal themed events, we enjoy being able to educate our guests about the amazing work our animal care team does to constantly improve our animal’s quality of life.”

This event is included with regular Zoo admission.

The Fall Animal Enrichment Days schedule is below:

November 5th
Scheduled Enrichment: Elephants at 1:30 p.m.
