Business Context

Fresno’s Chaffee Zoo Corporation, a 501(c)(3) California nonprofit benefit corporation operates Fresno’s Chaffee Zoo (the Zoo). The Zoo occupies 39 acres of the 159 acres of Roeding Park and is normally visited by more than 800,000 guests annually. Offering a variety of programs, the Zoo is open to the public every day of the year except for Christmas and has extended hours in the spring and summer months.

The Zoo currently has an annual operating budget of approximately $18,000,000. The capital budget of the Zoo, which fluctuates significantly from year-to-year, is anticipated to be approximately $25,000,000 in 2021. In November 2004, Fresno County taxpayers approved Measure Z, a one tenth of a cent sales tax levy. This levy was renewed for ten years in 2014. Two thirds of the Measure Z funds are dedicated to capital improvements and the remaining third is available to offset operating expenses. Current funding from Measure Z contributes approximately $5,300,000 towards operating expenses and nearly all of our capital expenditures.

It is the practice of Zoo Corporation to periodically conduct an RFP. Conducting this RFP is a means of reviewing audit and tax return preparation services to ensure that the best practices are being followed and reasonable fees are paid.
