FRESNO CHAFFEE ZOO HOSTS COEXIST WITH WILDLIFE CALIFORNIA DELEGATE SUMMIT

Who: Fresno Chaffee Zoo and California government officials

What: As a culmination of this year's successful Coexist with Wildlife, California campaign, Fresno Chaffee Zoo will be hosting the California Delegate Summit to promote awareness and inspire people to work together to preserve habitats and save wildlife.

This year, institutions from around the state have come together to commemorate the 100th anniversary of the last California grizzly bear seen in the wild, and to use this milestone to raise awareness of native California species that need our protection.

The Delegate Summit will provide an opportunity for government officials to engage with their conservation partners at CAZA organizations and to learn more about the state-wide campaign's significance. The summit will feature breakfast, networking, and keynote speakers.

When: Wednesday, September 4th
8:30 a.m. to 11:30 a.m.

Media: Media are invited to attend the event. Zoo officials will be available for interviews at 9 a.m.

"Fresno Chaffee Zoo inspires people to care for animals, create connections, build community, and save wildlife."
